

What:

- A demo of our car in the ESPL Parking Lot
- We will have two 30 min. Shifts but RSVP on Grainger Student Portal is required
- We will drive around the parking lot at ~3:10 for the first shift and ~3:40 for the second shift
- **YOU MUST WEAR A MASK AND SOCIALLY DISTANCE**

How:

- We will check you in as you arrive so please show your Safer Illinois app for proof of a negative recent covid test
- We will encourage you all to spread out around the outside of the ESPL parking lot and socially distance 6 ft. from each other (especially those you didn't come with)
- You can walk up to look at our 2020 car while our 2019 is driving but please do so while maintaining social distancing!
- We know that this is not ideal and we would love to talk with you guys up close but it is crucial that we do this event as safely as possible. The safer we are now, the sooner we can get you in to see things up close!
- You won't be able to enter the ESPL during this event because you have to have iCard access and pass a safety test first

Where: ESPL Parking Lot
