

The Story of Concrete and its Professional Organization

Presented by **Prof. John S Popovics**

Wednesday, August 28, 6pm

3310 Yeh Student Center (Attached to Newmark Civil Engineering Lab)

Prof. John S. Popovics is a professor in the CEE department primarily researching on non-destructive evaluation and degradation process of infrastructure materials. He holds B.S. and M.S. degrees (Drexel University 1988 and 1990, respectively) in civil engineering, and a Ph.D. (The Pennsylvania State University 1994) in engineering science and mechanics. Prof. Popovics is a fellow of the American Concrete Institute and the American Society for Nondestructive Testing.

Anyone interested in concrete is invited! We will provide pizza and beverages before the meeting. See you there!
