About Unilever China

Unilever is one of the world's biggest FMCG companies. With more than 400 brands retailed in over 190 countries and regions, our product ranges cover food, home care and personal care. On any given day, two billion people use Unilever products. Consumers worldwide buy 170 billion Unilever products each year. As we always say: "Where there is home, there is Unilever".

Till now, the breadth of our involvement in China adds up to over US\$3 billion in investment, the introduction of over 100 advanced technologies patents. Brands under Unilever such as Omo, Zhonghua, Lux, Pond's, Clear, Hazeline, Lipton, Knorr and Wall's, have become popular brands among the customers. Unilever Greater China headquarter office is in Shanghai Changning District, and just beside the Greater China headquarter office, there is one of the six Unilever global R & D centres. Unilever directly hiring more than 7,300 local employees and create over 20,000 job opportunities, and annual tax payment more than RMB 1 billion.

Since its entry into China, Unilever has been a corporate of high social responsibility. Unilever positively promotes its Sustainable Living Plan and has been the advocator of the green development in FMCG industry. We work to create a better future every day by the platform of "beautiful home beautiful childhood beautiful countryside". We help people feel good, look good and get more out of life with brands and services that are good for them and good for others.
